**PARISH MISSION STATEMENT:**

Located in the heart of the City of Lansing, the Church of the Resurrection exists to help everyone in our parish family live in the light and hope of the Resurrection. Encouraged by our experience of God's love, we help others come to know and love Jesus in a personal way. Guided by God's truth, we offer answers to life's real challenges. Inspired by the Holy Spirit, we help each other become mature disciples of Christ who will utilize our gifts to spread the Good News of Jesus in word and deed.

### Happy Catholic Schools Week!

As pastor, I am grateful for the great support the parish has long provided for our own school, and I am indebted to our principal, Mr. Jacob Allstott, assistant principal, Chris Gates, and the excellent faculty and staff who make our school the wonderful place of social, academic, and spiritual formation that it is. As it says on our school letterhead, we've been "Forming Disciples of Christ Since 1926." What a great legacy of faith we have! Please pray for Mr. Allstott, our faculty, staff, parents, and students. Be sure of this, our parish's long-standing investment in Resurrection School has born fruit and is bearing good fruit still. Thank you! If you have questions or want to learn more about our school, please call or make a visit. We would love to share what God is doing in our midst.

### Well done and thanks!

I'm tremendously grateful for the excellent planning and procedures that went into our preparation for the year and the very effective operationalization of those plans for the school year. We have, thanks be to God, not had to "go remote" at all this year, thanks to the planning and the cooperation of our families with the protocols we set up prior to the school year. The school is making plans to return to offering "specials" in person beginning in March, which will help us move even closer to "normal." We can't wait to be able to say, with the entire community that "Covid-19 is behind us." Until now, please keep our teachers, staff, and families in your prayers. They are doing wonderful work for our families, for us, and for the Lord, all in the name of the "Common Good."

### Gratitude for Our Partnership

Each Catholic Schools Week, we celebrate not just our own tradition of Catholic schools, but our partnership with other schools, and especially our Catholic high school, Lansing Catholic High School. This weekend at Mass, we will have some students from Lansing Catholic give a few words to those at Mass, and I am grateful to be able to enthusiastically recommend Lansing Catholic to our families. I'm grateful for the good team that is there, including the new President, Dominic Iocco, and the new Principal, Krystyn Schmerbeck.

### Book Studies

As I've talked about over the past couple of months, we will be holding book/pastoral letter studies beginning on Thursdays after Ash Wednesday. Our plans will be to have everyone read the book or pastoral letter prior to the three sessions for each of them. We'll have sessions spaced out a month apart. Our plan is to have "thematic" sessions, rather than to go through the books/pastoral letter sequentially. We encourage any of you to hold your own studies, but those who plan to lead studies of these or other books should be sure to have read the book/letter through several times, and be receptive to diverse perspective/opinions/questions. We have a sign-up/interest form and schedule of the book studies on our website.

### Realigning Resources for Mission

This is a message from Fr. Mathias Thelen, who is the chairman of the Realigning Resources for Mission Committee:  
*Thank you to all who participated in the Realign Resources for Mission parish meetings which have now concluded after two months consulting with parishioners across the Diocese of Lansing, both in-person and virtually (such are the COVID times in which we live!)*

*In total, there were 67 meetings with over 2,600 parishioners participating and approximately 1,700 surveys submitted to the committee. We are currently reading every survey as we develop our proposals, which will come to you for comment, before going to Bishop Boyea for final consideration. The Bishop has also given us an extension to complete our work which is now due June 1, 2021.*

*In the meantime, I recommend you watch a recent Diocese of Lansing Podcast which gives a good overview of the Realigning Resources for Mission principles; a flavor of what parishioners had to say about them; and an explanation of the next steps for the process. Thanks! Yours in Christ, Father Mathias Thelen, Chair, Realigning Resources for Mission. (We have linked to the podcast on our website.)*

I have been working with the committee, and we have an intense period of prayer, discussion, and planning this coming week. Please keep us in your prayers. Thanks!

### As for Me and My House . . .

Last week at Mass, I referenced this great quote from II Chronicles 7, which contains a "program" and a promise for us as we proceed: *[I]f my people who are called by my name humble themselves, and pray and seek my face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land. May we be among those who humble ourselves, pray, seek God's face, and turn from our wicked ways! At most of the Masses, I also referenced this great text from Joshua 24, which is a great reminder of the need for us to make a choice about whom we will serve:*

*"Now therefore fear the LORD, and serve him in sincerity and in faithfulness; put away the gods which your fathers served beyond the River, and in Egypt, and serve the LORD. 15 And if you be unwilling to serve the LORD, choose this day whom you will serve, whether the gods your fathers served in the region beyond the River, or the gods of the Am'orites in whose land you dwell; but as for me and my house, we will serve the Lord." (Joshua 24:14-15)*

**With prayers that we will all decide (again) today to serve the Lord,**

**Father Steve**

Please note!

### NOW HIRING:

Lansing Catholic High School has three positions open for part-time cafeteria food staffers.

These positions would be from 10:00 am until 1:15 pm, Monday through Friday, and would include food prep, serving and cleaning school cafeteria. There is no formal training needed for the positions, however, you do need to have your own transportation, and a background check. If you would like to work at one of our area elementary schools, a ServSafe certification would be required, and we would provide the materials for the class, and pay for the certification exam.

**CYSC 2021**

The fruit that I have seen come from Catholic Youth Summer Camp, in the spiritual and social development of their campers, I believe, makes it more than worthy of consideration in your summer plans. I have seen that campers come back into their parish and school intent to take on leadership and to build catholic identity. Imagine the strength that could come from your son or daughter and his or her group of closest friends experiencing the adventure together.

As camp sells out each season, to ensure our youth has opportunity to attend the 2021 season, as a parish/school, we have reserved a limited number of camper spaces. These spaces need to be filled by February 7, 2021 before they are released back to public use. When registering, PLEASE use "as a group" option with code RESURRECTIONCYSC2021

Camp costs \$545 for a week of food, lodging, and high adventure. Because our parish sees value in Catholic Youth Summer Camp and knows that it will help to build that Catholic Identity of our school and parish youth, we are offering a very generous scholarship of \$100 to all parishioners in need of it. While registering, at checkout use the promo code RESURRECTIONPROMO to apply for this discount. Consider discussing with grandparents, godparents, aunts and uncles to provide this opportunity through a Christmas gift. Both codes can be used.

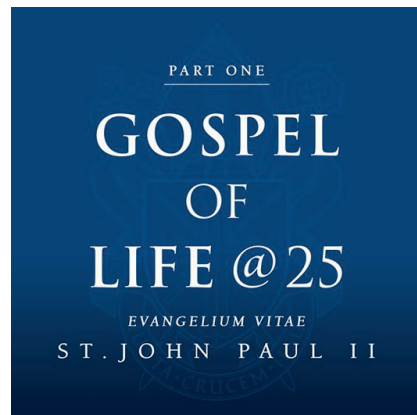

For more information about camp, or to register, please go to [www.cysc.com](http://www.cysc.com). If you are going to register, please do so soon. There is an option online to pay for camp in monthly installments if that is helpful for you.

With gratitude for this ministry to our youth,

*Father Steve*

**Online Giving**

This is a friendly reminder to anyone who has made the switch to Online Giving to contact our parish office so that we can cancel your Our Sunday Visitor envelopes. You can contact the office by phone or email. Thank you!!

**THE GOSPEL OF LIFE @ 25:**

Just over a quarter of a century ago, Pope Saint John Paul II released his prophetic encyclical, Evangelium vitae, in response to the ever-increasing attacks against human life and dignity.

Over the next 12 months, we will be releasing a weekly teaching or reflection on this important encyclical so that the faithful may grow in their understanding of the Church's teaching on matters of life and human dignity. We hope you will join us on this journey of life. Evangelium vitae, translated in English to "The Gospel of Life", was promulgated in Rome on 25 March 1995 by Pope John Paul II. It deals with issues pertaining to the sanctity of human life, including murder, abortion, euthanasia, and capital punishment, reaffirming the Church's timeless teachings on those issues in a way that is relevant to this day.

The document gave greater foundation and focus to what a "Culture of Life" should look like and, by contrast, greater understanding as to what underpins the contemporary "Culture of Death" which continues to hold sway over much of the western world.

The United States' Conference of Catholic Bishops had designated 2020 as the year to begin celebrating the 25th anniversary of Evangelium vitae but, as with many things, COVID-19 got in the way. Hence the beginning of this new series, introduced upon this Day of Prayer for the Legal Protection of Unborn Children, January 22, 2021. Next installment? Next week. Until then, God bless you.

**Women's Retreat: Inspire! And Light A Fire**

St. Francis Retreat Center  
March 12 -March 14

This retreat is based on the book "To Light a Fire on the Earth" by Bishop Robert Barron and aims to highlight evangelization as the center of every Catholic's mission. We all have family and friends that no longer practice their faith, and know individuals of no religious faith whatsoever. With these weekends, we hope to give retreatants the tools and knowledge to introduce those individuals to the beauty and life-changing truth of the Catholic faith.

This year will be a little different, as we have put into place safety protocols to keep our retreatants safe. It will be required to have your temperature taken upon arrival, masks will be required in group settings, and meals will be served cafeteria style. We are also using CDC recommended disinfectant when cleaning.

Check in is 6:00pm Friday evening, and the retreat ends after lunch on Sunday.

The suggested donation is \$185.
