PARISH MISSION STATEMENT:

Located in the heart of the City of Lansing, the Church of the Resurrection exists to help everyone in our parish family live in the light and hope of the Resurrection. Encouraged by our experience of God's love, we help others come to know and love Jesus in a personal way. Guided by God's truth, we offer answers to life's real challenges. Inspired by the Holy Spirit, we help each other become mature disciples of Christ who will utilize our gifts to spread the Good News of Jesus in word and deed.

Congratulations, High School Seniors!

Congratulations to all the high school graduates who will be graduating this year. Lansing Catholic High School students will graduate today, and others will do some in coming weeks. Today at the 9:30 a.m. Mass, we are honoring graduating seniors. I will give a blessing to them, as they anticipate their graduation and the next chapter in their lives. Please keep all our graduates in your prayers.

Mass Time Changes & Friday Adoration

As I mentioned last weekend at all the Masses, our weekend Mass schedule will change the weekend of June 11 & 12. We will return to our old Mass schedule: 5:00 p.m. Saturday and 9:00 & 11:00 a.m. on Sunday. We will also change adoration so that it concludes at 6:30 p.m. on Friday, with the last hour—5:30 to 6:30 p.m.—for confessions concluding with Benediction.

Keep on Praying!

Since the *Dobbs* decision is still in the balance, let us be diligent in praying about the deliberations among the Supreme Court Justices regarding the ruling in the *Dobbs* case. Let us also continue to pray that all of who employ euphemisms about “abortion care” will come to see the truth about the human dignity of all those who are victims of abortion, most of all the innocent children who have suffered and died over the past fifty years. Come, Holy Spirit!

Christians in the World

In the *Office of Readings* for Wednesday of this past week, the second reading was the powerful “Letter to Diognetus,” which dates from the Second Century. The letter makes clear the vital role Christians had then, and should have now, to be salt, light, and leaven in our world. The Church was then, and must be still, a sign of contradiction in our world, and a prophetic call to the world to move beyond the fleshly, worldly, and demonic.

Christians are indistinguishable from other men either by nationality, language or customs. They do not inhabit separate cities of their own, or speak a strange dialect, or follow some outlandish way of life. Their teaching is not based upon reveries inspired by the curiosity of men. Unlike some other people, they champion no purely human doctrine. With regard to dress, food and manner of life in general, they follow the customs of whatever city they happen to be living in, whether it is Greek or foreign. And yet there is something extraordinary about their lives. They live in their own countries as though they were only passing through. They play their full role as citizens, but labor under all the disabilities of aliens. Any country can be

their homeland, but for them their homeland, wherever it may be, is a foreign country. Like others, they marry and have children, but they do not expose them. They share their meals, but not their wives.

They live in the flesh, but they are not governed by the desires of the flesh. They pass their days upon earth, but they are citizens of heaven. Obedient to the laws, they yet live on a level that transcends the law. Christians love all men, but all men persecute them. Condemned because they are not understood, they are put to death, but raised to life again. They live in poverty, but enrich many; they are totally destitute, but possess an abundance of everything. They suffer dishonor, but that is their glory. They are defamed, but vindicated. A blessing is their answer to abuse, deference their response to insult. For the good they do they receive the punishment of malefactors, but even then they, rejoice, as though receiving the gift of life. They are attacked by the Jews as aliens, they are persecuted by the Greeks, yet no one can explain the reason for this hatred.

To speak in general terms, we may say that the Christian is to the world what the soul is to the body. As the soul is present in every part of the body, while remaining distinct from it, so Christians are found in all the cities of the world, but cannot be identified with the world. As the visible body contains the invisible soul, so Christians are seen living in the world, but their religious life remains unseen. The body hates the soul and wars against it, not because of any injury the soul has done it, but because of the restriction the soul places on its pleasures. Similarly, the world hates the Christians, not because they have done it any wrong, but because they are opposed to its enjoyments.

Christians love those who hate them just as the soul loves the body and all its members despite the body's hatred. It is by the soul, enclosed within the body, that the body is held together, and similarly, it is by the Christians, detained in the world as in a prison, that the world is held together. The soul, though immortal, has a mortal dwelling place; and Christians also live for a time amidst perishable things, while awaiting the freedom from change and decay that will be theirs in heaven. As the soul benefits from the deprivation of food and drink, so Christians flourish under persecution. Such is the Christian's lofty and divinely appointed function, from which he is not permitted to excuse himself.

Striving with you to be salt, light, and leaven in our world,

Father Steve

**Sunday mass will be at
9 am and 11 am**

Hello Parish Families,

The end of the school year is almost upon us! We are all looking forward to the summer holiday, but we are also looking forward and planning for the fall semester.

We have three young teachers who are going to stay home with their children next year: Kasey Jacobs, Patrycia Berkemeier and Rachel Hurst. These three teachers have been a tremendous blessing to our parish and school community. They will be sincerely missed, but we are extremely happy for them!

This means, we have job posting on the website for the Diocese of Lansing. The Lower Elementary posting is for a 1st grade teacher, and the upper elementary is for 4th grade. So far, we have some good applicants for these positions, but please share this information with any teachers who might be interested in teaching at Resurrection School.

We also have five grades with waitlists, and we are anticipating the same total enrollment of 195 for next fall. However, we do have openings in Kindergarten, 4th, 7th & 8th grade. Please share this information with prospective families and have them call the school office to setup a tour. (517) 487-0439
