Next Sunday we begin our celebration of **Catholic Schools Week**. This is a time to draw attention and focus on the many good characteristics and significance of the Catholic Schools in the history of our society and Church. We might naturally think first of all about elementary schools. Many of us are products of Catholic elementary schools. Obviously, we also think of the many Catholic High Schools in our area or the ones we have attended. However, we can not forget about the significance of our many Catholic Colleges and Universities. All of these institutions have made a tremendous impact upon society and the Church through their graduates and their accomplishments. The education, discipline and formation provided in the schools have brought forth many great leaders, thinkers, achievers and individuals.

The parish of Our Lady Star of the Sea is obviously proud of its own elementary school. We have a terrific faculty that cares for every student and does whatever possible for them to excel not only in academics, but in faith that is put into action. As our vision statement says on the school sign: **"Building strong minds and faithful hearts through Christ."** Students graduate from Star at levels far beyond the 8th grade level. Our Middle School math and science curriculum typically enables our students to move directly into honors math

and science classes in high school i.e., at GP North and South, Regina, U of D, De la Salle, and Mercy High Schools. They leave also as advanced writers, well prepared for the demands of high school. When you look at the importance of the integration of STREAM (science, technology, religion, engineering, arts and mathematics), you don't have to look anyplace else! What sets us apart from other schools is the integration of religion and faith in all subjects taught by all our teachers at all levels. Even in gym and art classes God is integrated! Middle school deepens the understanding how religion co-exists with science, especially with our high school level science lab!

The children are also blessed with so many other great aspects of their education, like up-to-date computers and technology, a

being in "the neighborhood," many people don't know about us. We need your help to spread the word!

** Next Sunday we have our **School Open House**. Please help spread the word. Any new neighbors who have young children? Please let them know about our Open House or arrange for a tour at any time. It is also the premier of the 2019 Student Art Fair, displaying the great art work of our students, as well as the middle school STREAM projects! Lots of great work for you to see! **Everyone is welcome** to visit. Our school is very important in our parish mission to bring others to Christ to live the love of God!

** Monday is Martin Luther King, Jr. Day. The parish office will be closed for the federal holiday. Tuesday is the Day of Prayer for the Legal Protection of Unborn Children, the anniversary of the 1973 Roe v Wade decision that legalized abortion in our country. Please say your own prayers this day, e.g., a rosary, the chaplet of Our Lady Star of the Sea, etc., for those tragically effected by abortion and for the end of abortion.

** Have a blessed week in the Lord's peace.

FORMING OUR FAITH

This week we celebrate an extraordinary American who followed Jesus by being a living example of peace and equality:

Dr. Martin Luther King, Jr.

Dr. King was a Baptist minister whose faith heavily informed his commitment to social justice and antiracism. There is much that everyone can learn from Dr. King's philosophy and methods, especially in our present tumultuous times. But there are some parts of Dr. King's message that can especially speak to Catholics:

1. The dignity of every human life

As Catholics, we are committed to the Church's pro-life teachings. The Church emphasizes the inherent dignity of every human life, from conception to natural death. Dr. King's work reminds us that being pro-life is more than opposing abortion and euthanasia: it is creating a world in which the dignity of every human life is upheld. Racism is necessarily part of the pro-life conversation, because we cannot be pro-life if we value some lives over others. In imitation of Jesus, Dr. King calls us to lift up those who are most oppressed.

2. Interfaith cooperation

During his life, [Dr. King worked with many Catholics, including priests and religious sisters](#). He was propelled forward by his love of Jesus, and he recognized that this was common ground he shared with other Christians. Instead of focusing on the beliefs that made him different from Christians of other denominations, Dr. King sought out that shared love and used it as a foundation for activism.

3. How to hold up the light

In his book *Strength to Love*, Dr. King said, "Darkness cannot drive out darkness, only light can do that. Hate cannot drive out hate, only love can do that." This is a beautiful Christian message that we should take to heart, remembering that Jesus is the Light of the world ([John 8:12](#)). As we take action in our communities, may we be witnesses to the Light, letting Jesus dispel the darkness of injustice.

January 24—Feast of St. Francis de Sales

The theme for our Faith Formation program this year is "Growing in Holiness" so celebrating the feast of St. Francis de Sales on January 24th is right on target!

Francis was born on August 21, 1567 to a family in Switzerland who expected him to enter a career in law and politics. Even though Francis became a lawyer, he never lost his desire to serve God as a priest. He finally convinced his father to allow him to become a priest which he did at the age of 26.

Like today, during Francis' time it was wrongly thought that achieving real holiness of life was a task reserved for only for the clergy and those in religious life, and not for lay men and women. In addition, that only those people who withdraw from active participation in the world, could really achieve holiness. But Francis insisted that every Christian was called to holiness and sanctity, no matter their vocation in life—as a religious, a married person, or a single person. So true for all of us as we are called to be holy men and women in all our walks of life.

LITTLE SAILORS CHILD CARE

Little Sailors Childcare is held every Sunday during the 9:30 am Mass in room 29 of the school. This program is intended for children aged 12 months to 3 years. Our youngest parishioners can play and be cared for so that parents can take some time for themselves and fully participate at Mass.

go and make disciples

A couple of weeks ago when we rang in the New Year we looked back and reflected on the past year. It was a time to think about the joys, the sorrows, the good things we had done and the things we could have done better.

It was a time for us to look ahead and make some changes. You know, New Year's resolutions. We all make them or at least feel we should make them.

Whether the resolutions are the usual "self" help ones or improving our spiritual lives, they're really, at the core, about our desire to be better persons. Deep down we know we can be more than we are. That's what life is all about. That's what discipleship is all about.

Do you ever find that your spirituality has lost its fervor, its passion, that your relationship with Jesus is mundane, routine? Oh, we may still be going to Mass, attending church events, reading Scripture, praying daily, contributing to the parish and sharing our faith but on the inside things aren't always so great. Our faith isn't bad but it's not awesome. Losing passion and enthusiasm in all aspects of our lives is not an uncommon event. It

happens in all kinds of relationships. Since we want to be better persons, that means we realize that we fall short of being the kind of persons we ought to be and should be and want to be. We know we need a do-over. One other thing we realize. We can't do this on our own. We need God!

Build a relationship with Jesus and through Him find God, our loving Father. The Holy Spirit will guide us in our efforts. See God as the God of Love that He is.

The New Year celebrates love, hope, forgiveness, second chances and fresh starts.

Believe and have faith that God is all good and He loves us. Believe that he is a Father who keeps His promises; that we can always trust Him to take care of us; that we are forgiven.

Now that's good news!

What is a “Gift Gathering Party?”

This fun and casual evening provides a great opportunity to meet and celebrate with others in the Star community and support the school at the same time by making a tax-deductible gift in support of the Auction. Wine and hors d’oeuvres will be served. All who attend will be entered in a drawing to win complimentary tickets to the Auction on March 2nd!

What should I bring?

Admission to the party is a gift to donate to the silent or live auction. Some ideas include tickets to sports games, concert, or theater, restaurant gift cards, use of a vacation condo or cottage, frequent flyer miles, beauty and spa items and experiences, and a round of golf at a local course. Cash donations are also greatly appreciated. We have several auction packages which have been purchased and are looking for someone to “adopt them.”

I previously gave a donation. Do I need to donate again to attend?

Thank you! All Donors, Patrons, Sponsors, and Advertisers are welcome. Nothing additional is needed, except to come and enjoy yourself!

“Teachers who are Mothers”

Star Teacher and Mother, Mrs. Kerry Vlahantones

Fourteen years ago when I signed my contract as the counselor at Star, I didn't know I would be receiving a signing bonus. The bonus wasn't something that came in monetary form but something much more precious. Being part of the Star family has rewarded my family and me many times over. The personal relationships I have developed along with the academic and spiritual formation my children have received, has far surpassed my expectations. The faculty has lovingly guided each of my daughters and has capitalized on their strengths and challenged their weaknesses while nurturing their faith and growth as young girls. God has made it very clear that signing my contract fourteen years ago has born much fruit and made an incredible difference in our lives!

School Art Show - Next Sunday!

Star students have been working very hard on their fine arts projects which will be showcased during the Our Lady Star of the Sea Open House on Sunday, January 27th from 12 – 3pm. The art program at Star plays an important role in the foundation of our students' development both academically and socially. Also, it is associated with gains in math, reading, critical thinking and verbal skills.

The arts improve motivation, engagement, concentration, confidence and teamwork.

Please come with your family and friends to view and enjoy all of the students' beautiful artwork that will be on display throughout the school.

Looking forward to seeing you then!
