COMMIT YOUR LIFE TO THE LORD

AND HE WILL HELP YOU!

The humor and melodic voice of Fr. Steven Bell, a Paulist priest, exudes joy and is a testament of his faith! He has inspired many on the “Busted Halo” radio show, as a campus minister and a revival leader. Don’t miss your chance to meet him and be inspired.

Mark you calendar to participate in our Parish Mission. Invite others!

WITH MARY, WE BRING PEOPLE TO CHRIST TO LIVE THE LOVE OF GOD

Our Parish Mission is just two weeks away! Fr. Steven Bell, CSP (Paulist priest) will preach at all weekend masses Feb. 23-24. On February 24-26 please join Fr. Steve in the church at 7 p.m. for three powerful and engaging evenings focused on the power of healing, reconciliation, prayer and mercy in our lives.

Ordained in 2008, Fr. Steve served in the Diocese of Austin as the Associate Pastor of St. Austin then became Associate Director of Busted Halo, a radio show of the Paulist Fathers media ministry. Following his Busted Halo assignment, Fr. Steve was a campus minister at the St. Thomas More Newman Center at the Ohio State University in Columbus, OH. He also gives missions, retreats, revivals, and workshops all over the country.

Parish Missions are a way for the whole parish to pause a bit in daily life and focus some additional precious time on the Lord and His action in our life. You hear a lot from the priests about holiness in their daily or weekly homilies. Preaching during a Mission gives some added insights into our call to holiness. I am confident Fr. Steve will inspire you in many ways through his preaching and witnessing to the faith.

Our mission is situated before Lent starts. We would have liked it during Lent but Fr. Bell was already booked a year ago so this is the next best time for us without having to wait another year. I am confident that his message will even more so prepare us for a very fruitful Lent (which begins on Ash Wednesday, March 6).

Parish Mission time is a Grace filled time for the parish. A time of renewal. A mini retreat. A shot in the arm. All possible if people are open to the Holy Spirit working through the preacher!

Please set aside the dates and time now in your calendars and join in the Mission. Invite neighbors, family or friends. This is one of those opportunities, or "soft entry points", that can engage or re-engage someone with the church and, most importantly, Jesus.

\*\* I look forward to our celebration of those couples in our community who are celebrating their wedding anniversaries with those special years beginning with 25 years and going up to 70 or beyond!! It is wonderful to hear their love stories and the wisdom they would pass on to those who are planning to get married.

Blessings on your family and your week!

Msgr. Gary Smetanka

### Prayer for our Parish Mission

Heavenly Father, open our hearts  
as we prepare for our Parish Mission  
so that we may hear your Word,  
know your Will and  
accept your abundant Mercy.

Send your Holy Spirit upon Fr. Steven  
Bell that the words You give him may  
set our hearts on fire with your Love.  
With Mary, we turn to you in this our  
need, and ask this in the name  
of your Son, Jesus. Amen.

# Parish Mission - Fellowship

## February 24, 25, and 26th

To come together and show our love for one another, we will be offering fellowship in The Pointe each night after the Mission.

If you love to bake, we would love you to share 1 dozen of your favorite treats.

Please drop off your treats in The Pointe when you arrive for the Mission.

Tuesday, February 5<sup>th</sup> was Pajama Day at Star. All students and teachers wore pajamas to school as a belated celebration of Catholic Schools Week.

On Friday, February 1, 20-19, Star's 7<sup>th</sup> and 8<sup>th</sup> graders and their special persons made 1361 lunches to feed the homeless people of Detroit. The lunches consisted of a peanut butter and jelly sandwich, a granola bar, a juice box, napkin and note. Some the notes were simple pictures drawn by our littlest students. The older students wrote notes sending prayers and good wishes to the recipients. Lunches that feed the soul as well as the body.

## FREE LITTLE SAILORS CHILD CARE

Little Sailors Childcare is held every Sunday during the 9:30 am Mass in room 29 of the school. This program is intended for children aged 12 months to 3 years.

Our youngest parishioners can play and be cared for so that parents can take some time for themselves and fully participate at Mass.

## Taizé Service with Our Lady Star of the Sea School Students

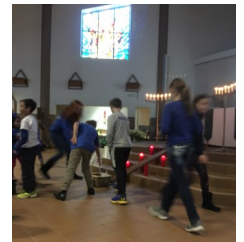

In spite of missing three days of school due to the extreme cold during Catholic Schools Week, January 28-Feb. 1, our Kindergarten through 8th grade students were able to participate in a Taizé Worship Service that week.

Taizé worship involves music, meditation, a period of silence, a scripture reading, and movement.

Our focal point was a cross laid on the steps of the altar and surrounded by candles. After a scripture

passage and reflection, led by My. Kerry Vlahantones, students were invited to write a short prayer, personal intention or request and then place it in the basket at the foot of the altar.

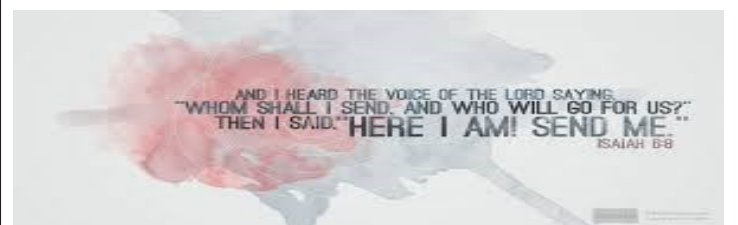

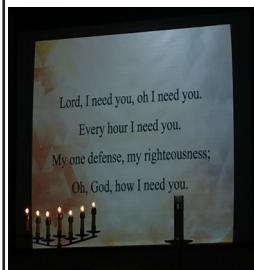

Mr. Matt Jakubisin, our Music Minister, led us in singing the refrain of songs especially selected for this service.

We were so pleased with the participation of all of our students from the youngest to the oldest.

Please continue to pray for the success of our school where we are

***Building Strong Minds and Faithful Hearts  
through Christ***

Along with a lunch of love, we warmed our homeless brothers and sisters with hand-made scarves created by kindergarten-6th grade students and their special person.

Being a Lector these last few years has heightened my interest in Sacred Scripture. I think that is because the preparation involves not just learning the words but understanding the message prior to proclaiming the Word of God at Mass.

We know from the Catechism of the Catholic Church that "God is the author of Sacred Scripture...God inspired the human authors of the sacred books." We also know that the Holy Spirit is our interpreter: "Sacred Scripture must be read and interpreted in light of the same Spirit by whom it was written."

Through scripture, we learn a lot about God. The more we read, the more we learn about Him – His love for us, His mercy, and His Son who was sent to teach us how to live and who is our salvation.

At Mass, listening attentively to His Word and reflecting upon it help us prepare to receive Christ in the Sacrament of the Eucharist.

More than being simply a source of information, His Word is an avenue of God speaking to us personally. This is only effective if we take the time to think about how it can and should affect our life, that is our encounter with Christ and

with others.

It could be following up on those ideas that simply pop up in our mind, whether they be about our spiritual life or reaching out to others.

The ideas may not always come that easily. And the follow-up can be challenging. But that shouldn't stop us.

Christ wants us to live like He did in making lives better. Love, service, caring, healing, justice, mercy, salvation. These He spoke about and demonstrated while on earth. And this is what He wants us to share.

**Christ wants us to live like He did ...**

That is why one of the "going forth" verses we sing at the end of Mass is:

"Take the Word to our neighborhoods and streets shine the light of Christ for all to see May we all set out to live in peace and harmony. They will see and sing..."

## Teacher Feature from Carolyn Michielutti

Young 5's is a busy classroom of learning and fun. We participate in preschool activities that will get us ready for Kindergarten. We have been learning the letters and sounds of the alphabet in order to start the reading process. Last week, we worked on the letter "Pp". We practiced the letter by saying it, by writing it, and by identifying it in words. We acted out the story The Three Pigs and played puppet theatre. We snacked on peanut butter, pretzels, and popcorn.

In Math, we are learning the numbers and patterning concepts necessary for counting, adding and subtracting. We have been learning the numbers 0-10 and how to touch each item as we count for 1 to 1 correspondence. We work on small motor skills for writing by molding play dough, stringing beads and

singing finger play songs. We work on our large motor skills too by playing in the gym and on the playground. Some other things we have been accomplishing this school year include becoming more social, working with others and learning how to be good friends.

On Friday of Catholic Schools week, we were able to bring in a Special Person. We took them to Mass and then for a snack and activities in our classroom.

It is wonderful to be able to share our Catholic Faith with others at school and we are happy to learn about Jesus and his love.
