Return to Me

Let us embark on the journey together, as Church, by receiving Ashes
— we too will become ashes —
and keeping our gaze fixed on the Crucifix.

He, loving us, invites us to be reconciled with God and to return to him, in
order to find ourselves again.

The impact of the Archdiocesan Synod '16 is still very strong as it led to Archbishop Vigneron's pastoral letter, Unleash the Gospel, and the action steps identified within. It was clear that the Holy Spirit lead the members of Synod '16 that Catholic schools are an apostolate that is the responsibility of all the parishes and the Church at large and that any Catholic family in the Archdiocese that seeks an excellent Catholic education for their family can have one. These foundational principles set the tone as schools move toward the future.

Archbishop Vigneron is calling school leadership to develop realistic, measurable strategic plans which challenge parish-based Catholic K-8 and K-12 school in the AoD to improve and grow. A strategic plan can articulate to a community what the school might look like going forward. A strategic plan also helps the school demonstrate quality (with an outstanding product, as measured by Mission and Catholic Identity, and academic excellence), and sound business management (with outstanding governance and leadership and operational vitality).

The strategic plans developed by each school are guided very heavily by Unleash the Gospel and all based upon the same standards and process as provided by the AoD. Ultimately the plan leads to the school's vision and mission statements (for review or revision), determine focus areas, establish appropriate goals, define objectives and develop action steps.

The Strategic Planning Committee is to have a few faculty members, school parents, parishioners, alumni and a member or two from a neighboring parish that does not have a school. Our committee is comprised of Mrs. Robbie

Papal Tweets

Pope Francis @ Pointifex

- ◆ **A life of faith means wanting to be with the Lord, and that means constantly searching for Him wherever He is.**
- ◆ **Jesus wants to be found by those who look for Him. But to look for Him we have to get up and go out.**

Henrichs and Mrs, Kelly Fortier (faculty), Mrs. Maureen Berndtson and Mrs. Beth Ahee (parishioners), Mrs Judy Armbruster (alumni), Mr. Tom Sloan and Mrs. Michelle Senakiewich (parents), Mrs. Liz Hubbell (St. Lucy parish), Ms. Julie Aemisegger (Principal) and me. I thank all of them for their willingness to serve! All plans must be completed and submitted to the AoD by the end of July, 2018.

** As part of the process, there is a survey that was written by representatives of the Center for Catholic School Effectiveness at Loyola University. Besides school parents, parishioners are asked to complete the survey. To receive accurate information, please complete the survey if you have first-hand knowledge and can answer from your personal experience.

A couple points of clarification: The first set of questions are opinion questions about Catholic Schools in general. Later, you will be asked with which Catholic School you are affiliated, i.e., Our Lady Star of the Sea. If a question uses words like "everyone", please know that means around 80%. The survey can be found at: https://madonna.az1.qualtrics.com/jfe/form/SV_6nGI0k8rRq32J1j.

Please take a few minutes to take this questionnaire soon as it will close on Feb. 12th.

** Lent begins this week! Ashes will be distributed Wednesday during the Masses (7:30 and 10 am and 7 pm) and during two Liturgy of the Word services (12:15 and 3:15 pm). Please note the ashes will be distributed in the middle of the Mass or service, not the end! [And this comes up every year..."can't we put on the ashes ourselves?"] No. Ashes should not be treated as something simply to get, as in a drive-through, to show people we have them.

** At Christmas 2016 we distributed a bookmark to everyone with a free gift, i.e, a subscription or access to a fantastic website called Formed. Since that time only about 100 people have registered. Since Dec. of 2016 the site has improved 1000%! It is now filled with movies for children, youth and adults, documentaries, podcasts, ebooks, bible studies, talks and more! All available for you to use at any time you want, 24 hours a day, 365 days a

year! So in the busy-ness of your day and evening, you don't have to come to church for enrichment. If you are embarrassed you might be little short of your knowledge of scripture, faith, or understanding Church doctrine, this is a great place to learn more whenever you want in the privacy of your own home! Here is what you have to do. Go to www.olsos.formed.org. If you are new to the site, simply set up your own "account" with your own login information and that's it! (If you already have an account, simply login.) You no longer have to enter a parish code because we have taken care of that for you. Once you are on the OLSOS Formed page, you will also see other items of interest that I have posted for you to enjoy. Why not check it out this week? It will only take a few minutes to set up and then you are good to go. I think you will be amazed with everything that is at your disposal...for free, provided to you by your parish!

** Many, many thanks to our parish K of C who donated \$1,000 for our school tuition assistance fund. This was made possible through all those who came to their recent Italian Dinner at The Pointe 3 weeks ago. God bless them for their labor and efforts in making the Italian Dinner and the generosity of the people who came!

Have a great week in the Lord's love and peace.

FORMING OUR FAITH

Adopt a Candidate

In the Gathering space this weekend, you will see a display board asking you

to **Adopt A Candidate**. Cards with the candidates names and a short prayer on either a chalice for our First Communicants or doves for our Confirmation candidates and adults entering the Church are pinned to the board.

Take a few moments to take one or more of the cards and offer your prayers to support them on their faith journey.

Thank you!!

Religious Education Volunteer Appreciation Event

On February 1st, the stalwarts of Star's After School Religious Education community gathered at the Cadiuex Café to try and enjoy each other's company while fiercely competing to win the newly created Feather Bowling trophy.

Four teams were established under the "official" rules of Ann Chevalier. Good sportsmanship was insured by referees Marianne and Bob Carlisle. Whistles and penalty flags were used sparingly. When all was said and done (argued and objected to), the winning team of Delia Hayden, Cheryl Kanka, Carolyn Michielutti and captained by Margaret Spindler (we always knew she was a ringer—I mean winner!) basked in their glory.

Thanks and prayers to Trattoria Servanti for a delicious dinner topped off by outstanding desserts provided by Sandy Bielak.

Many thanks to all of our volunteers who share their faith with our students every week!!

UNLEASH THE GOSPEL

go and make disciples

This week Ash Wednesday will usher in the Lenten season, which is a season of fasting, self-denial, spiritual growth, conversion, and simplicity.

When many think of Lent, they think of crosses of ashes on foreheads, stations of the cross and no meat on Friday which means fish fries.

It can be so much more.

Lent, which comes from the Teutonic word for springtime, can be viewed as a spiritual spring cleaning: a time for taking spiritual inventory and then cleaning out those things which hinder our communal and personal relationships with Jesus Christ and our service to Him.

Each year during Lent the Church invites us to enter the desert with Jesus. It's an opportunity to renew and grow our faith through prayer, fasting and almsgiving.

Lenten programs and plans can be a time-out, an opportunity to examine our relationship with God and those around us and a chance for spiritual growth and conversion.

Planned parish spiritual offerings during Lent give us an opportunity to experience that spiritual growth and conversion.

So busy that you are meeting yourself coming and going? Don't know if you can get to any planned programs but still

want to encounter Jesus in a special way this Lent?

There are tons of ways that you can enrich and enhance your spiritual life and experience conversion and growth. Here are a few suggestions. You will know what works best for you.

Download apps that are prayers, reflections, podcasts, scripture readings, books, or just beautiful, inspiring music and listen in the car, exercising, etc.

"Doing one thing every day may not change the world, but it will change us."

- Explore FORMED. Sign up if haven't already done so.

- Visit the prayer chapel and take a minute to reconnect with Our Lord in a

special way.

- We can see faith in our culture by just being open to it. Look for ways that secular music, movies or events reflect faith in God. Think about those.
- Watch Catholic TV and listen to Catholic radio.

Doing one thing every day may not change the world, but it will change us.

Make the most of this spiritual spring cleaning and time out. Lent is serious, but it doesn't have to be gloomy. The grace and peace that will follow our efforts are God's gift to us.

Young 5's is a busy classroom of learning and fun. We participate in preschool activities that will get us ready for Kindergarten. We have been learning the letters and sounds of the alphabet in order to start the reading process. Last week, we worked on the letter "Pp". We practiced the letter by saying it, by writing it, and by identifying it in words. We acted out the story The Three Pigs and played puppet theatre. We snacked on peanut butter, pretzels, and popcorn.

In Math, we are learning the numbers and patterning concepts necessary for counting, adding and subtracting. We have been learning the numbers 0-10 and how to touch each item as we count for 1 to 1 correspondence. We work on small motor skills

for writing by molding play dough, stringing beads and singing finger play songs. We work on our large motor skills too by playing in the gym and on the playground. Some other things we have been accomplishing this school year include becoming more social, working with others and learning how to be good friends.

Last week was Catholic Schools Week and we enjoyed some interesting days together. We had crazy hair day, pajama and movie day, De La Salle Band day, and our famous Special Person's Day. We were able to take our Special People to Mass and then for a snack and activities in our classroom. It is wonderful to be able to share our Catholic Faith with others at school and we are happy to learn about Jesus and his love.
