Bulletin articles are due by 10:00 a.m. on Friday. Submitted bulletin content is subject for approval.

Believe it or not Lent is here! So now what to do? What should change? What NEEDS to change? If you are not giving up something, are you going to DO something that can be helpful and life changing to make you a better Christian? There is so much to do that can be relatively easy as long as you make the commitment, just like anything we make a priority. Even if you commit 6 minutes a day it will make a difference in your life.

You will find in this bulletin a page with a number of things you can do, some of which can be done simply in your house whenever you want!! I am talking about FORMED, a great website filled with great movies, documentaries, lectures, music, bible studies and much more. And Star of the Sea has made it FREE for you!

As I mentioned last week, in the busy-ness of your day and evening, you don't have to come to church for enrichment or study. If you are embarrassed you might be little short of your knowledge of scripture, faith, or understanding Church doctrine, this is a great place to learn more whenever you want in the privacy of your own home! Here is what you have to do. Go to

www.olsos.formed.org. If you are new to the site, simply set up your own "account" with your own login information and that's it! (If you already have an account, simply login.) You no longer have to enter a parish code because we have taken care of that for you. Once you are on the OLSOS Formed page, you will also see other items of interest that I have posted for you to enjoy. Why not check it out this week? It will only take a few minutes to set up and then you are good to go. I think you will be amazed with everything that is at your disposal...for free, provided to you by your parish!

Now that you are signed in to FORMED, go to **A Lent to Remember**. There are four wonderful videos there to help you

understand the Sacrament of Reconciliation or, as most people call it, confession. I think it will be a value for all people so that is what I am asking you to do. Take the 15 seconds to create "your account" in FORMED and then at least watch the first video of A Lent to Remember. You can watch all the videos in one setting but it might be good to watch then one a week. Or maybe you need to go back and watch it again. It really is a good video!! (After you watch at least the first three videos, for those who wish, we will gather for a brief meeting March 6 for a little question and answer period.) While there will not be a test on the videos, I do want all parishioners to please watch them during Lent and allow the Grace of God to touch your heart in truly understanding the Sacrament of Penance.

Be sure to check out all the other resources available to you that are a free gift from your parish here at Star of the Sea. ** The Catholic News Service had an article about the woman figure skater from South Korea who ultimately lit the caldron with the Olympic flame. A very popular South Korean athlete, who won gold 4 years ago, Yuna Kim has an interesting story. People saw her make the sign of the cross in 2010 before she began her performance

and wore a rosary ring getting her silver medal 4 years ago. She converted to Catholicism in 2008 due to her personal physician. At her baptism she took the name of Stella, after Stella Maris (Mary Star of the Sea). What a great story of evangelization and faith!

** Hope you can put on your schedule Friday, March 2 and come to church for **Awaken**. It is a time of praise and worship of our Eucharistic Lord in a very upbeat style of music with some engaging preaching. Young people love it! Young of heart also love it!! The night before Fr. Brian Meldrum and Fr. Mario Amore will present "All That We Need." More later..

** Just a review of what my homily mentioned last weekend and for those who did not hear my homily. The

Sacrament of the Sick, or "anointing" (used to be called "extreme unction"), it is meant to be asked for, or received, at the early stages of a serious illness or prior to a serious surgery. It can be received many times in a person's life. One or the family should NOT wait until the last hour of a person's life to call for a priest to anoint the sick person because you just might be able to get a priest on such a short notice. Unlike the understanding of extreme unction, or "last rites," it does not have to be received right before a person dies. Also understand that the sacrament is for the living therefore a person is not anointed after death.

** THANK YOU to all those who participated in any way to make Auction 2018 a wonderful success! It was a great evening in so many ways. Thanks to Danielle Brousseau and her dedicated committee for all of their labor of love.

Have your best Lent ever!

Please stop by The Pointe to help assemble peanut butter and jelly sandwiches. These sandwiches will be taken to The Pope Francis Center in downtown Detroit. All are welcome to participate..

Lenten Alms Tree

The three traditional pillars of Lenten observance are prayer, fasting and almsgiving.

The Christian Service Commission is focusing on Almsgiving

Almsgiving: It is a sign of our care for those in need and an expression of our gratitude for all that God has given to us. Works of charity and the promotion of justice are fundamental components of the Christian way of life we began when we were baptized.

This year we will be supporting the following organizations:

Kevin's Song - is a charitable organization dedicated to generating public awareness about the causes of suicide, its prevalence in our society and possible preventive measures

Knight's of Columbus - Christians Refugee Relief Fund -proceeds to aid persecuted Christians throughout the Middle East.

Our Lady Star of the Sea School - Tuition Assistance fund

Veterans Returning Home - Operates as a transitional house for U.S. Military veterans in Crisis in Roseville, MI

Starting February 14th we will have a "tree" in the gathering space. Please take an envelope from the "tree", place your donation to one or more of the organizations in the envelope and return your envelope during the Holy Thursday Service or on Palm Sunday.

Traditionally Lenten devotions in our parishes draw attention to the suffering and death of Jesus. The most popular one is known as the Stations of the Cross.

When Jesus died on the Cross, Joseph of Arimathea asked Pilate for the body and laid it in a new tomb (Jn 19:38-42) The tomb must have been a site of commemoration for the early Christians but because of wars and invasions it was completely lost by the early fourth century.

Then came St. Helena, mother of the first Christian Roman Emperor, Constantine. In a dream she was told that Christ's tomb was completely covered under accumulated dirt and a pagan shrine. In 326 she traveled to Jerusalem to look for the tomb. Saint Helena had the temple destroyed and the Sepulchre uncovered. It was then she found the three crosses and through a miracle determined the True Cross. Helena and Constantine built a basilica over the Holy Sepulchre. This Church of the Holy Sepulchre is still there.

People started visiting the Holy Sepulchre in Jerusalem to walk in Jesus' footsteps. The street Jesus walked is still called Via Dolorosa, the way of pain.

The travel to Jerusalem was dangerous and expensive. And not everyone was lucky

enough to be able to make this pilgrimage which could take as long as two years. So various Church organizations built copies of the Church of the Holy Sepulchre all over Europe.

In this way the spiritual benefits of the pilgrimage to the Holy Land were available to more Christians. But it still wasn't possible for peasants to travel to another village or town for this indulgenced devotion.

*"The street Jesus walked is still called **Via Dolorosa**, the way of pain. "*

The Franciscans then began putting up crosses in parish churches everywhere for this indulgenced devotion.

The number of the stations varied from five to twenty. In 1731, Pope Clement XII fixed the number of stations at fourteen and permitted indulgenced stations to be erected in every church.

What began as a dangerous pilgrimage to the Holy Land has become a devotion that can be followed easily.

Here at Star we can walk our own via dolorosa and pray together the Way of the Cross every Friday evening during Lent.

Fish fry then stations—sound like a plan?

Our Religious Education 6th grade IGNITE class spent a recent class learning that the Holy Catholic Church is a gathering of the people of God, called by Him, living as one family following God's commandments to live in His love with the help of the Holy Spirit.

They learned that the basic structure of the Church consists of

- God**
- Pope**
- Cardinal/Bishops**
- Priests**
- People/Laity**

Keeping all that they had learned in mind, the students then "Built a Church" using paper cups, paper, popsicle sticks and glue to represent Church elements including Jesus, Pope, Bishops, sacraments, Gifts of the Holy spirit, Four Marks of the Church, virtue, Mary, saints, family, etc. A great project to help our students reflect on what they learned in an engaging manner.

Holy Week and Easter Choir

Are you interested in singing, but unable to commit to choir rehearsals throughout the whole year? Singers are welcome to join the choir for this year's Holy Week and Easter Masses. This includes only five Wednesday evening rehearsals beginning on February 21 at 7pm. The other rehearsals are March 7, 14, 21, and 28.

Singers will participate in the 11:30am Palm Sunday, 7pm Holy Thursday, 8:30pm Easter Vigil, and 11:30am Easter Day Masses. Those unable to sing for all the Masses are still welcome to participate in those they can attend. Please consider joining our growing music ministry in the prayer, fun, and music-making during this holy season.

Singers high school age and older are invited to join and no previous singing experience is required.

Contact Matthew Jakubisin (m.jakubisin@stargp.org) for more information or stop by the piano after any Mass.

THE EARLY CHURCH

Epic: *The Early Church* will lead you on a powerful, fast-paced journey through the first 500 years of Church history. You'll meet courageous saints, eloquent theologians, ruthless emperors and heroic martyrs. This dynamic 10-Part study program presents the origins of the Faith from a truly Catholic perspective!

You will...

- Discover the major people, places, and events of the first 500 years of Church history
- Recognize that the early Christian Church was truly the Catholic Church
- Discover that many of the challenges facing the Church today are the same ones boldly confronted by the early Church fathers
- Learn how the heroic stories of the saints can challenge and affirm your own walk of faith...and much more

This past Saturday, February 10th, students in the fifth and sixth grades at Our Lady Star of the Sea competed in the Eastside Catholic Forensics tournament at St. Thecla School. Forensics is a club offered at Star and other schools in the Archdiocese of Detroit, where students memorize a speech or story and perform it during an annual tournament. These students are judged on poise, tone, volume, articulation, eye contact, and stage presence while giving their speech.

After practicing their speeches for months, the hard work finally paid off. Many of our students received awards for excellence in their category. In the category of Storytelling, Maria Siciliano received a second place. In the category of Prose, Sarah Tomas received a second place and Emily Giffer received a third place. In the category of Drama, Lauren Shipe received a third place. In the category of Poetry, Allie Mattes received a second place, Chizy Nwoke received a

second and two third places, Kerith Short received three third places, and Elizabeth Hey received a third place. In the category of Declamation, John Francis received a first place. A team of Audrey Schena and Grace Cleary received two second places and a third place, a team of Lorenzo Cavaliere and Joey Olejniczak received a third place, and a

team of Addie Ancona and Molly Lucido received a third place in the category of Duo. Emily Bania, Mallory McKeown, Gabby Miller, Elle Quinlan, and Amelia Streberger all received a first place and two second places in the category of Multiple. Special congratulations go to the Multiple team who received a second place award overall in their category.

Congratulations to all the students who participated in 5th and 6th Forensics competition this year!

Alliance Catholic Credit Union ran their 2nd Annual Live It, Show It, Share It scholarship contest for students who will be attending a Catholic high school in the 2018-2019 academic year.

Students were asked to create a 30-second video that:
Shows how they are doing their part to Unleash the Gospel.

Ten (10) finalists were selected and invited to a short interview with a panel of representatives from the Catholic Schools Office and Alliance Catholic Credit Union. Star of the Sea is pleased to announce that eighth grader, Anthony Schena, was the recipient of a \$ 1,000. scholarship to De La Salle High School.

Congratulations to Anthony!

Walking with Purpose is a Catholic Bible Study for women that aims to bring women to a deeper personal relationship with Jesus Christ by offering personal study and small group discussion that link our everyday challenges with the solutions given to us through the teachings of Christ and the Roman Catholic Church.

God wants to support and help us so that we can be our best in every season of our lives.

Keeping in Balance will take us on a journey throughout Scripture as we discover the relevance of Old and New Testament wisdom to our daily challenges.

Join us as we explore biblical ways that we can manage life's pace and pressure while living with calm and steadiness. A lifestyle of health and holiness awaits.

Teacher Feature - Mrs. Fortier

The sixth grade science students would like to thank all everyone for their support of our auction Fund-In-Need efforts to build the school's STREAM (Science, Technology, Religion, Engineering, Arts and Mathematics) program. Here are just a few great things we have been able to do this year to enhance our understanding of science:

- After studying the devastating effects of oil spills, students were given the challenge to design a boom and skimmer to contain a simulated oil spill in the lab

- Students were able to see the organs of a their dissected worm under our improved dissecting microscopes
- Students explored erosion and factors that affect a river's speed using our new stream tables
- In addition, it is great to have all the things we need on a daily/weekly basis in the lab like thermometers, scales, glassware, timers and more!

Thank you Star supporters!
