We welcome Bishop Walter Hurley to Our Lady Star of the Sea . He is certainly no stranger to us given his few years with us as the "weekend associate." He is presently the Administrator of St. Richard in Westland, St. Mary in Wayne and Holy Family in Inkster. That assignment will end June 30 and then he will become the administrator of St. Robert Bellarmine and St. John Bosco, both in Redford, as they are under a merging process. He comes to us this Sunday afternoon to administer the Sacrament of Confirmation.

Those who are to be confirmed have participated in a two year process preparing for this special day. I know their recent retreat was impactful for many of them as well as their "mercy projects" and classroom activities. I am also impressed with their letters they wrote to me requesting that they be confirmed.

Our "confirmandi" need our prayers. They come to the sacrament on fire and ready to be witnesses of Jesus Christ to

others. As some might put it, they are "on fire with and for the Lord." Now they need help to keep the fire going and spread it to others! They, and their families, need our prayers so the fire does not diminish! As the students learned, an important element to keep the fire going is to participate in the sacramental life of the Church, especially through the Sacrament of Reconciliation and participation in weekly Sunday Mass. These

**Thank You!**

The Our Lady Star of the Sea Knights of Columbus welcomes the opportunity to thank our Parish Community for the incredible generosity at this year's annual Tootsie Roll Drive in support of special needs children in our Community and for the Michigan Special Olympics.

Many of you visited us at Mack and Vernier on Friday and Saturday and braved the cold rolling down your auto windows. You greeted us at a Lenten Fish Fry and after Palm Sunday weekend Masses in the Pointe and in the parking lot. Many families were contributors at more than one of our locations. With this level of kind donations, the K of C will be able to provide community sponsored special needs children's programs at planned levels.

sacraments keep us on to holiness and the giving of ourselves to others, especially through acts of mercy for the sake of others.

So lets offer this prayer this day for those who are to be confirmed, the same prayer Bishop Hurley will pray over them.

Almighty God, Father of our Lord Jesus Christ, who brought these your

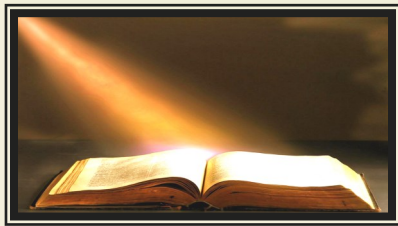

servants to new birth by water and the Holy Spirit, freeing them from sin: send upon them, O Lord, the Holy Spirit, the Paraclete; give them the spirit of wisdom and understanding, the spirit of counsel and fortitude, the spirit of knowledge and piety; fill them with the spirit of the fear of the Lord. Through Christ our Lord. Amen.

\*\* While you are offering prayers we have a corporate first communion next Sunday afternoon. They too need our prayers this week! What a beautiful gift in the Eucharist they are about to receive!!

Blessings this week. Rejoice in the Risen Lord!

On April 28<sup>th</sup> & 29<sup>th</sup>, "On the Rise Bakery" will be visiting our parish. The bakers are men in the R.O.P.E. program (Reaching Our Potential Everyday). This outreach program the Capuchins began a few years ago. It involves giving men employment for a year to establish some work history while they are beginning their lives over again. The men have come from prison or long term addiction programs to restart their lives. Although the men have a bakery on Gratiot and McClellan Ave., they can't make it without the help of the parishes. It is a great honor and a tasty treat to sample their work and to help them.

They are asking for our parish to sell the products they have made. We hope that everyone will come after the weekend Masses to make a purchase. They thank the parish for allowing them to be part of our community and ask that you hold them in your prayers.

# UNLEASH THE GOSPEL

## go and make disciples

Since Easter, the first reading at Mass has been from the Acts of the Apostles rather than from the Old Testament.

What a great way to learn about evangelization at work in the first century during the time after the Ascension of Jesus.

His disciples preached about how Jesus fulfilled the words of the prophets. They called for conversion of hearts. They performed miracles in His name and forgave sins.

Those who were followers of Jesus initially called themselves The Way. They were also known by other names, such as Christians or Nazoreans.

They followed the mandate Jesus made to His disciples to "Go into the whole world and proclaim the gospel to every creature" (Mark 16:15).

Just think about the conditions for evangelizing at that time. Travel was long and difficult. Communication was slow. And there were different groups to be evangelized based on their beliefs, geography, and ethnicity.

The work was hard, but there was great success.

Today, we have the new evangelization. The purpose is the same: to spread the Good News of the Gospel and bring people to Jesus.

The conditions are very different. Technology has provided many new ave-

nues for communication.

Society has a new and powerful distractions, tempting people away from religion or even God.

There are still different groups to be evangelized, but there is one big difference. It is the group of people who were once practicing Catholics, but are no longer practicing.

Their reasons for leaving are varied. Some stopped practicing abruptly; for others, it was gradual. Their church affiliations, if any, afterwards also vary. Many still consider themselves Catholic; they are just not participating.

One thing they have in common. They are our family members, our friends, our neighbors.

How should we approach them?

With love, not arguments

With prayer, not preaching

With regular contacts, not avoidance

By letting the joy in our faith show

With invitations to join us at religious services or church activities

By saying we'll pray for them when there's an illness or loss

By being there for them in time of need

Never losing hope

One in the Spirit,  
Jean Werschling
