Happy Mothers' Day!!

One of the many, many items that usually fall to mom in the early days of our life is teaching us to say our prayers. They teach us to pray in the morning, at night, before meals and at special times for special help. It is only fitting, then, for us to pray for our mothers today.

Holy God, you compared your own love for all your people to the love of a mother for her children. Look with kindness on our mother who has shared in your creating love by the gift of her children.

We thank you for the joys and sorrows of her life, the giving and sharing, and, especially for your love that has formed us in your image. Listen to our prayers and bless the mother who has nurtured and sustained us. Give us patience in abundance and let her find joy and satisfaction in all her work.

Glory and praise to you, loving God, through Jesus Christ our Lord, who was born of the Virgin Mary, and who reigns with you in the glory of heaven, for ever and ever.
 Amen.

** We have received the State of Michigan approval to go ahead with constructing a

new entrance to the school this summer. We are excited to begin the project. It is replacing that little canopy that comes out from the front door. We realize it would need to be replaced soon due to age and we wanted to put on something that makes the school office quite noticeable. The other part of the project is making the men's rest room by the gym ADA acceptable, something that is long overdue. Thanks to all those who contributed to the Changing Lives Together Initiative that makes this project, and all that we have done the past four years, so successful.

** Thanks to all those who have responded to the Catholic Services Appeal thus far. Any gift, even \$25, will greatly assist in helping our parish make our assigned target. Most

importantly, it enables such vital ministries and programs supported through the CSA, e.g., formation programs at Sacred Heart Major Seminary, college, hospital and prison chaplaincies, the Catholic Television Network, Mass for Shut-Ins, etc., stay strong and effective in spreading the Good News. Thanks for all of your sacrifices and your generosity. Please remember a few things: 1) any excess of the parish target is returned to the parish; 2) the parish receives many services as provided by the CSA programs and ministries.

** This coming Saturday morning, at Blessed Sacrament Cathedral, three men will be ordained priests for the Archdiocese of Detroit. Please pray for them and for all those in formation to become priests, deacons, or serve in religious life.

** If you would like to spend a few days at the Grand Hotel on Mackinac Island after Labor Day, please check the little ad in this paper. A package has been put together at great savings! Full information is available in the Gathering Space or at the parish office.

May the Lord's peace and joy be yours. Let the power of the Spirit guide you and lead you this week as we anticipate the great Feast of Pentecost next Sunday. *Come Holy Spirit, fill the hearts of your faithful!* **We invite you to wear red next weekend to Mass!! We also ask you to bring a red geranium (or two) to church** which we will then plant on the campus.

Msgr. Gary Smetanka

To parents of young children:

May we suggest...RELAX!

God put the wiggle in children,
Don't feel you have to suppress it in God's house.
All are welcome!
Sit towards the front where it is easier for your little ones to see and hear what is going on at the altar.
They tire of seeing the backs of others!
Quietly explain the parts of the Mass and actions of the priest, deacon, choir and other ministers.
Sing the hymns, participate in the liturgy, and pray.
Children learn about worship and liturgical behavior by copying you.

If you have to leave Mass with your child, feel free to do so, but please come back. As Jesus said, "Let the children come to me..." Remember that the way we welcome children in church directly affects the way they respond to the church, to God and to another. Let them know that they are at home in His house of worship.

To the Members of the parish:

The presence of children is a gift to the church and a reminder that our parish is growing. Please welcome our children and give a smile of encouragement to their parents!

Feminine Genius

By Colleen Carroll Campbell

Celebrate Motherhood!

This Mother's Day, empower the mothers and women in your life with this refreshing Lighthouse Talk. We rarely hear the word "feminine" used in a positive light today, but Colleen Carroll Campbell offers an empowering Christian understanding of the nature and vocation of woman as she unpacks what Saint John Paul II termed "the feminine genius."

Listen on formed.org

"So empowering, beautiful, and honest. A strong spiritual awakening for all women. Definitely worth listening and sharing with a friend or ten!"

We Pray for Mothers

Loving God, we ask your blessings on all mothers.
May they be inspired with your mercy, wisdom,
strength and selfless love.

For new mothers with new responsibilities; For expectant mothers, wondering and waiting;
For those who are tired, stressed or depressed; For those who balance the tasks of work and family; For those whose children have physical, mental or emotional disabilities; For those who raise children on their own; For those who struggle to feed their children due to poverty; For those who selflessly place their child for adoption; For those who adopt a child into their family; For those who have lost a child; For those who care for the children of others; For those whose children have left home; For those whose desire to be a mother has not been fulfilled.

Bless all mothers, that their love may be deep and tender, and that they may lead their children to know and do what is good.

UNLEASH THE GOSPEL

go and make disciples

Love is the thread that pulls our Scripture readings together today.

I have told you this so that my joy may be in you and your joy might be complete. This is my commandment: love one another as I love you.

Love is the subject of sermons, articles, books, songs, seminars, workshops and conversations. Love is a feeling and an action. Love in its purest divine form is far beyond our comprehension.

When we talk about evangelization we use the words, encounter, love, grow, share, and joy.

We are asked to Unleash the Gospel, evangelize, "go and make disciples." We are told to tell our faith stories with love and joy. This can seem daunting. But the good news about being able to spread The Good News is that our Lord can inspire and enable us to do things far beyond what we could ever think to do on our own, things we think impossible.

Pope Francis in "Evangelii Gaudium" ("The Joy of the Gospel") states this: "The joy of the Gospel fills the hearts and lives of all who encounter Jesus." "With Christ joy is constantly born anew...I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy...."

How do we get that joy to fill our hearts? How do we feel the fire of love and desire to share God's love for us? How do we encounter Jesus to fill our hearts? We need Christ.

We know that we encounter Jesus in many ways. We encounter Him in the Scriptures, the sacraments, and in other people. We encounter Him in all creation. We encounter Him when we help others, when we pray for others, when we give our time and talent for a good cause.

"The joy of the Gospel fills the hearts and lives of all who encounter Jesus."

Are you full of joy? Do you need a refilling encounter with Jesus? To start, ask Jesus in prayer for help. Let me share this

prayer that I came across a couple of years ago.

"Jesus, I need a fresh encounter with you! Please fill me with your Holy Spirit and with this bring me your joy. By your grace, I throw open the doors of my heart to you now. Please take my burdens and worries and give to me yourself! Please, dear Lord, come and fill me to overflowing so that I may spread Your joy to all I meet! Thank You, Lord! Amen."

We are challenged to encounter Jesus each day and make our love and joy the real deal. Let's do it!

It appears as though spring has finally arrived and it's hard to believe that this school year is almost over! Summer vacation is right around the corner and the count down has begun. Many of us will be traveling to exciting places, attending camps, playing baseball, tennis, soccer, or golf, and boating.

The school year is a very busy time for all of us. Balancing school, homework, and extra curricular activities can be a challenging job for students and parents. Summer is a time for rest and relaxation. We all need to be rejuvenated over the summer months only to begin again in September.

While enjoying the time away from school however, it is important to keep your skills sharp. It is a great idea when making your summer plans to deliberately schedule time for "school work." Many teachers send home packets with students while others have specific goals and activities for students to accomplish. IXL math is a great way to practice math and prepare for the next school year.

Visiting the local library to check out books or join the Summer Reading Program are both fun ways to encourage a love of reading.

On a more informal note, make learning fun! Students can learn a great deal while cooking and following a recipe. Engaging kids in planning a trip or planting a garden are great learning opportunities. Take a trip to a museum, science center, zoo, or concert. These are all exceptional ways to foster learning.

It is very important for struggling learners to continue school work over the summer in order to maintain their skills. Studies show that students who read and do school work over summer months have better grades the following year and transition more smoothly in the fall. Keeping kids' minds challenged prevents them from losing necessary skills for school success.

So, remember to rest, relax, rejuvenate, and.....READ!!!

News in our Community

“Send Laborers into the Harvest,” a symposium on parish vocation ideas, will be held next Wednesday, May 16, at Our Lady Queen of Martyrs Parish in Beverly Hills.

The symposium is designed for anyone interested in promotion vocations to the priesthood and religious life, but especially pastors, parish youth and faith formation ministers, parish pastoral councils and commissions, and school principals and teachers. Participants will learn how to stimulate parish prayer programs, establish special devotions, and arrange Holy Hours and Adoration for vocations; strengthen the Catholic faith among college students; and organize a parish vocations committee.

This event of the archdiocesan Office of Priestly Vocations and Detroit-Oakland Serra Club is free because of your gifts to the CSA.

For more information about CSA-funded ministries, programs, and services, please go to aod.org.
