This weekend we wish Matthew Jakubisin farewell. (I have to be careful how I say things because last week Matt thought he was dead since I was talking about him in past tense!) His time with us has been short lived but he has raised the bar with the choir and has certainly improved our Sunday assemblies with an increase of singing on the part of more people. Both of those indicators are always good signs of a talented and gifted musician. Of course, his passion and talent lies with playing the organ and getting the best out of the bellows, pipes and ivory. It is no surprise that he was chosen to be the next organist at St. Andrew Cathedral in Grand Rapids. And from there...who knows where he will rest his hands and feet only to produce more brilliant heavenly sounds of angelic praise in a greater cathedral!

Matthew, we wish you well and we know you will shake the rafters there at St. Andrew Cathedral. We will pray for you and ask that you pray for us. Know that you are always welcome here at Our Lady Star of the Sea! God bless you in your new ministry.

** The best time of the year for organizations who help the less fortunate is fall and winter. This is the time when most people think about helping others, especially around the holidays. The summer time is not a good time. People are not around, they are on vacation, and the need is not as apparent for some reason. Yet the need is still great for those who have little or who are struggling to exist. If, during the next few weeks, you are able to help add to our small food pantry or give a few extra dollars to our St. Vincent de Paul Society it would be greatly appreciated. Supplies and funds are low yet we still get a good number of calls asking for a little assistance. An envelope with "St. Vincent de Paul" marked on the front will get to our parish society and continue to help those in need. Thank you.

** Our parish Missionary Strategic Plan is moving right along. Thank you for those who participated in the evening process July 1 and those who completed the completed the survey either on line or in person. We are presently in the process of developing the plan through goals, objectives and action steps to help move the parish from "maintenance to mission" during the next three years. It is a challenging task but should prove to produce good fruit in the future. Please continue to pray for the visionary team and their work.

** This Thursday and Friday begins a new chapter for the Diocese of Saginaw as they welcome Bishop Robert Gruss as their new shepherd. Thursday evening there will be Vespers at the Cathedral where a few welcoming rituals also happen. Friday, at Holy Spirit church (for a larger liturgical venue) he will be officially installed as the Seventh Bishop of Saginaw. I am honored to be invited to the installation Mass and have been asked to provide the "commentary" for the livestream video feed. (I guess they liked my commentary for Bishop Cistone's funeral...and Bishop Hurley suggested me for the installation.) Please pray for Bishop Gruss and the people of the Diocese of Saginaw this week. (Archbishop Vigneron will have a busy day on Friday, July 26, the feast of St. Anne, our Archdiocese of Detroit Patroness. He will be at the installation Mass at the Metropolitan of Michigan and then back down to Detroit's Ste. Anne Parish for the big Feast Day celebration. It is also the 44th anniversary of his priestly ordination!

** Next weekend and August 3-4, members of our Right to Life team will be present after Mass soliciting signatures to ban the controversial "dilation and evacuation" abortion procedure — which involves dismembering an unborn child in the womb. "As the name suggest, it involves dismembering an unborn baby by tearing the baby apart limb by limb inside the womb and individually removing each of the body parts," Archbishop Vigneron said in a letter urging pastors and parishes to participate in the petition drive. 400,000 signatures need to be collected in the next 60 days in order for this to be presented to the state legislature. If successful, the petition drive would add the ban on dismemberment abortions to Michigan's existing ban on partial-birth abortion, which was passed by the state's voters in 2004.

Have a blessed week and keep all your prayers coming!

FORMING OUR FAITH

Why Should I enroll my child in Faith Formation Class?? - Part II

For children and young people, religious education is where the parish accompanies their parents on the journey of sharing the Gospel with their children and forming them as they grow into mature young Catholic Christians. It cannot be emphasized enough that the parents are the first, and best, teachers of their children. What you do in your home will echo down the years of the lives of your children. YOU are the **Domestic Church!** And the Our Lady Star of the Sea religious education program is here to help in this process.

So what are the benefits of sending your children to Religious Ed classes?

For very young children, it may often be difficult to comprehend what is happening in a sermon or during the Mass because they are designed on a level that kids cannot yet understand (making it hard for them to sit quietly and pay attention). Religious Ed, on the other hand, teaches the same concepts and values as Mass, but in an engaging way that is geared towards the students' ages and levels of understanding.

On a social level, attending Religious Ed classes helps children make friends in an atmosphere of positivity and love. In fact, the classes become mini communities themselves where students can ask questions and discuss their beliefs with like-minded peers. There they'll come to understand that they are a part of a much larger community that is equally as loving and supportive — a community that they will look forward to joining for activities and eventually Mass.

On a higher level, Religious Education jumpstarts young children's connection with God. Kids are generally more receptive than adults are, and if a personal relationship with Jesus is established and a Catholic identity is formed early, they are both likely to last a lifetime. Join us as we start a new year of forming the faith of ALL of our parishioners!

See below for information on how to register your child.

go and make disciples

We've all been invited to be a part of the movement to renew the Church in the Archdiocese of Detroit. We've been asked to use our unique gifts to share our faith stories and Unleash the Gospel.

If we were asked at Mass to raise our hands if we have been baptized, most would do so. If we were then asked how many of us are missionaries, none to one might raise a hand.

God became one of us to be with us in our daily struggles and joys. We have heard and read over and over that Jesus came to be with us in every way we need Him. That is Good News!

Jesus came with a mission to bring the Word of God, the message of God and His love to all people everywhere in the world. As baptized Christians we are called to be His followers, His disciples, and to accept His mission as our own.

We don't need to know every teaching, every tradition, every ritual, every scripture. We may never know certain things about our faith but that doesn't keep us from sharing our faith stories.

UNLEASH THE GOSPEL

All we need is to have a passion for Jesus and a passion for his people. We don't need to be perfect.

St. Pope Paul VI stated that the lay faithful evangelize through their ordinary lives. He reminded us that it is not a matter of technique but a work of the Spirit. There is no textbook way to touch another's heart. Sometimes it is just a smile or a warm handshake and sometimes it means getting into the chaos of another's life.

Easier than you thought isn't it?

We are all missionaries! We are all sent! We are sent to continue the message of Christ in a world that needs to know him "by heart".

May the Holy Spirit guide us as we accept the challenge and privilege of being missionaries.

Go and make disciples!

11:30 AM Sacristan Needed

The Sacristan Ministry at Star is looking for someone to join our Sunday 11:30 am Sacristan Team.

Sacristans are scheduled to serve once a month, but are able to switch with other sacristans on their team whenever needed.

Responsibilities for 11:30 am sacristans include setting up for Mass and locking up the church after Mass.

No experience is required. We will show you exactly what you need to do. This is a wonderful ministry for individuals, couples, or families, and a nice way to get involved in the Parish.

We need your help in securing new vendors.

Annually, since 2009,
Star has hosted a community, culinary event called

The Taste is an enjoyable, adult evening where we showcase local restaurants and catering services.

This year's event will take place
November 23rd, 6:30 to 10:30pm

We are in need of new vendors to keep this event exciting, so, if you, a family member or a friend know of a restaurant, catering service or bar that would like to showcase their business at this outstanding event, please contact Debby Veltri at 313-779-3824 or thetaste@stargp.org or Camille Walton at 313-516-0302 or camille1043@gmail.com .

If you could give the business a heads up that we will be contacting them, the personal touch always helps.

Prayer for the Next Phase of Unleash the Gospel

Heavenly Father,

*Thank you for the abundant graces of Synod 16:
for awakening in us the vision and resolve
to become again your Church on mission,
eagerly working together
to “make disciples of all nations,”
according to our commission from the Lord Jesus.*

*Pour out upon us your Holy Spirit, as a new Pentecost,
to guide us in our next phase in our movement
to Unleash the Gospel.*

*By his power at work in us, transform our par-
ishes into bands of joyful missionary disciples.*

Come Holy Spirit:

*Set our hearts on fire to share the Good News of
Jesus with all those who stumble in darkness,
who hunger for hope, who thirst for eternal life.
Above all, grant us the boldness and courage
of the apostles to put the mission above all else,
so that our community becomes the spark
to ignite the fire of divine love that transforms
this time and this place into the Kingdom of Heaven.*

*We pray through the intercession
of Our Lady, Star of the New Evangelization,
and her mother, our Patron, St. Anne;
and in the spirit of Blessed Solanus we thank you
ahead of time for “accomplishing in us far more
than all we ask or imagine.”*

*We ask all of this in the all-powerful name
of the Lord Jesus Christ, who lives and reigns forever.*

Amen

CSA - Natural Family Planning

“Love, Naturally! Natural Family Planning: Cooperating with God’s design for married love” is the theme of National NFP Awareness Week this July 21-27. This United States Conference of Catholic Bishops’ annual educational campaign celebrates God’s design for married love and the gift of life while raising awareness of NFP methods.

Gifts to the Catholic Services Appeal allow the archdiocesan Office for Natural Family Planning to offer presentations to couples in our Archdiocese who are using or are curious about NFP, as well as classes in NFP methods for married couples seeking families. Endorsed by the United States Conference of Catholic Bishops, NFP is a way of life by which couples recognize natural, biological signs of fertility and infertility.

For information about the Catholic Services Appeal, please go to aod.org/csa.
