Half and Half from Msgr. Gary Smetanka

Congratulations to our second graders who participated in the Rite of Enrollment this Sunday to receive First Holy Communion in the spring of 2024. First Communion is such an exciting time for the child and the family. After many years of the young child seeing mom and dad, and siblings, go up to communion to receive Jesus and they can't, it is a BIG DAY for them to finally do what the adults have been doing. They know the process of standing in line and then finally receiving the Host from the priest or minister is special, just by observing the way others go to receive the Host, together with the prayers they see people praying before and after.

Stop and think how often children want to imitate their parents. There was that tv commercial showing the little boy doing everything dad was doing, e.g., washing the car, cutting the grass, painting, napping. I see it so often when young children come up for communion and they want what mom or dad have. Remember that when it comes to the practice of the faith. Children tend to imitate what their parents do. Rightfully so that this is the case because parents are the first teachers of the faith. When parents practice the faith through their grace before meals, prayers in the morning and evening, participating in Sunday Mass every Sunday, going to the sacrament of confession, etc., they tend to pick up those practices in their life. When the parents fail to do that, the child will most likely follow suit until, with the Grace of God, they are formed, inspired, and encouraged to practice the faith later in life. [Studies have also shown that when the fathers especially take the lead in practicing the faith in the home, the children are more likely to do the same in their own life as adults.]

We pray for our young children who so much want to receive Jesus in Holy Communion. However their "first communion" is not something to check off a list of things to do or accomplish in life. Rather, it is only the beginning of a way of life, centered on the Eucharist, and our surrender to the Lord who gave himself in the Eucharist. We continue to pray for their parents, guardians, grandparents, and siblings who all need our prayers and encouragement to be strong witnesses in the faith. In addition, we pray for each other, to be renewed in the great gift of the Eucharist, our source of life and renewal each and every Sunday!

** If you see some ushers after the homily walking slowing and it looks like they are counting, that is exactly what they are doing. In October the parishes in the AoD take "head counts" during Mass. This information is useful to the parish, or family of parishes, to see if any changes need to be made. I can tell you that 500 fewer people are coming to our weekend Masses than 10 years ago. With the capacity of our church and the amount of people who regularly come to Sunday Mass, we can fit everyone into two weekend Masses,

The Church strongly encourages people to receive the Sacrament (Anointing) of the Sick at the early stages of serious sickness or before serious surgeries.

In emergency situations needing the prompt attention of a priest, please call the parish office.

MARRIAGE

Archdiocesan law requires advance notice of at least six months.

PARISH REGISTRATION

Newcomers to the parish may register in the Parish Office during regular office hours. Others, please notify the Parish Office of address changes.

Adults over 21 need to be registered as an individual member to be considered a Catholic in Good Standing.

Hearing devices are available for use during Mass. Please ask an usher for assistance.

Half and Half continued...

instead of the four we have. I know that is not practical. But we certainly need only one Saturday vigil Mass and two Sunday morning Masses. No, we will not be making any changes to the Mass schedule now but it is something that we might have to think about in the very near future. It is very difficult to find available priests to celebrate Mass when need arises due to sickness, vacation, or other reasons. (It is expected that the Archdiocese will have 15 fewer priests this coming July.) Ideally, scheduled weekend Masses should have at least 50% of the church capacity. That is why I say our Mass schedule should ideally be reduced. Of course, the other option is to have more people participate weekly at Sunday Mass and then there is no need to reduce the number of Masses a weekend!

Continue to love the Lord and spread the Good News!

Grieving with Great HOPE

"Thank you for showing me the way to mourn with hope."

There are no stages to grief. We all experience loss in our own unique way. Healing is an intentional process, where we gather as a community of faith to become disciples of HOPE. It is through prayerful reflection, practical learning and personal fellowship that we mourn.

Grieving with Great Hope is a weekend grief support workshop for anyone who is grieving the death of a loved one. Msgr. Gary Smetanka will join John and Sandy O'Shaughnessy from Good Mourning Ministry, a Catholic Bereavement Apostolate, who will facilitate the workshop.

“If Christ did not want to dismiss the Jews without food in the desert for fear that they would collapse on the way, it was to teach us that it is dangerous to try to get to heaven without the Bread of Heaven” (St. Jerome).

Spend an hour per week in the Eucharistic Presence of Our Lord by your own personal commitment of the day and the hour. Our Lord cannot be outdone in generosity when we give to Him of ourselves in prayer.

Choir practice for the Advent and Christmas Season begins this week - on Wednesday at 7pm in Choir Room. Anyone who is interested in singing with the Choir whether it be on Sunday at the 1130am Mass, or if you wish to sing for the Christmas Season including any concerts, should see Aaron as soon as possible, Or you can email him at a.kaleniecki@stargp.org. The choir will be singing sections from Handel's Messiah as well as the ever popular Gospel Messiah "Too Hot to Handel". Hope you can join us. The adult choir is open to any confirmed adult. The ability to read music is a plus but not a requirement.
