Half and Half from Msgr. Gary Smetanka

Next Sunday we begin our celebration of **Catholic Schools Week**. This is a time to draw attention and focus on the many good characteristics and significance of the Catholic Schools in the history of our society and Church. We might naturally think first of all about elementary schools. Many of us are products of Catholic elementary schools. Obviously, we also think of the many Catholic High Schools in our area or the ones we have attended. However, we can not forget about the significance our many Catholic Colleges and Universities. All of these institutions have made a tremendous impact upon society and the Church through their graduates and their accomplishments. The education, discipline and formation provided in the schools have brought forth many great leaders, thinkers, achievers and individuals.

The parish of Our Lady Star of the Sea is obviously proud of its own elementary school. We have a terrific faculty that cares for every student and does whatever possible for them to excel not only in academics, but in faith that is put into action. As our vision statement says on the school sign: **"Building strong minds and faithful hearts through Christ."** Students graduate from Star at levels far beyond the 8th grade level. Our Middle School math and science curriculum typically enables our students to move directly into honors math and science classes in high school i.e., at GP North and South, Regina, U of D, De la Salle, and Mercy High Schools. The leave also as advanced writers, well prepared for the demands of high school. When you look at the importance of the integration of STREAM (science, technology, religion, engineering, arts and mathematics), you don't have to look anyplace else! Our Robotics Program in the middle school is certainly something that you won't find at too many schools! What truly sets us apart from other schools is the integration of religion and faith in all subjects caught by all our teachers at all levels. Even in gym and art classes God is integrated! Middle school deepens the understanding how religion co-exists with science, especially with our high school level science lab!

The children are also blessed with so many other great aspects of their education, like up-to-date computers and technology, a 3D printer, a great art, music and physical education program, a musical drama, some terrific after school enrichment opportunities and so much more!! Not to mention the dedication and concern of our teachers and staff that bring forth excellence in our academics and joy in their students.

Our thanks to all the teachers, parents, students, staff and volunteers in our school. They are terrific! They do so much and we are so proud of everything they do and have accomplished. They are the reason we are nationally recognized as a School of Excellence!!! And thanks to all of the parishioners who help with the fundraisers and support of the school programs and activities. Through the Good Lord and all of our prayers, support and encouragement, Our Lady Star of the Sea School will continue to form and educate our youth to be great disciples of the Lord for many more years! However, being in "the neighborhood," many people don't know about us. We need your help to spread the word!

**** Next Sunday we have our School Open House.** It is a great time to get a thorough tour plus see our special art exhibit at the same time. Open House begins at 11:30 am and runs to 2:30 pm. There is much to see!

Have a blessed week in the Lord's peace.

What does it mean to have a Mass “offered” for someone?

An individual may ask a priest to offer a Mass for several reasons: for example, in thanksgiving, for the intentions of another person (such as on a birthday), or, as is most common, for the repose of the soul of someone who has died.

It is worth noting, however, that the offering of the Mass for that intention does not depend on it being publicly voiced but on it being specified in the priest's personal prayers. Similarly, if a priest announces that “I am offering this Mass for [such and such an] intention” he does not thereby require the rest of the congregation to pray for that intention or to make their own lay-offering of the Mass to be for that intention. The priest's intention specifies the “special fruit” [3] chosen as his intention it does not specify that of the congregation.

Stewardship Thoughts

In today's First Reading, God prompts the prophet Jonah to carry out His message in warning the people of Nineveh to turn from their wicked ways and repent — which they do. In St. Mark's Gospel, the evangelist tells of Jesus' invitation to Simon-Peter, Andrew, James, and John to discipleship in Him. They respond immediately, abandoning their fishing businesses and leaving their families — ultimately, sacrificing everything — to follow Jesus. Their acts considered radical in our Lord's day would be considered just as radical in today's secular society. As steward disciples seeking to deepen our relationship in Christ, we, also, must be willing to open our hearts to His true peace, joy, and happiness. Then, in a spirit of evangelization, we will be sent to spread His Good News to those we meet. This is our task as joyful missionary disciples. An organization that supports missionary discipleship is St. Paul Street Evangelization. Join a local team at <https://streetevangelization.com>.
