February 2025

Hi Parents,

**FEB. 7, 2025**

Sorry for already being a week into February and I'm just now sending out the newsletter! In this month when we celebrate LOVE, I want to express my love and gratitude to all of you for your support of SPC Preschool. Thank you for meeting your child's teacher at our Parent -Teacher Conferences. We were so happy to welcome you in person for the conferences. The children continue to enliven our days with their enthusiasm and joy. They are growing and learning and it reminds me every day that God is good!

## REGISTRATION UPDATE

Registration for the 2025-2026 school year is happening this week! We are so glad to know so many of your children will be returning to SPC Preschool next year!

I appreciate it so much when you refer friends, relatives and new neighbors to SPC Preschool - please continue to do so! We have just a couple places in a 3's class!

## CATHOLIC SEEDS

Catholic Seeds: February 20th & 21st. The children will meet Ms. Suzanne in the church to learn about Jesus and the 12 apostles.

Ms. Suzanne says:

The children will learn about how the apostles loved and obeyed Jesus and after Jesus rose from the dead, they went out to spread the Gospel.

We will also try to learn the names of the 12 apostles - it's a lot of names! Check out the cute song we sing to learn them:

### Twelve Apostles Song

The sanctuary item introduced this month will be the "Altar". We will see the beautiful Altar in our church and also set up a miniature Altar. Then we will discuss the special items that the priest uses on the Altar and the very important things that happen on the Altar during the celebration of the Mass.

## CAFETERIA DAYS

To help our 4's and PreK Plus children with their Kindergarten readiness, we have set up cafeteria days!

On Cafeteria Day, the children will leave their classroom and head to the cafeteria (AKA McNamee Hall) for lunch.

They will learn the lunch room process:

Stand in line, carry a tray with food, throw away their trash, etc.

They will also learn lunch room social skills, such as 'Mom packed my lunch but I really want what my friend is eating'.

Please note: You do NOT have to "buy" lunch on these days. Your child is more than welcome to bring their lunch and still eat in the cafeteria with their class.

This is Kindergarten practice.

More information will be sent home to the 4's and PreK Plus classes!

I love these "words to live by" in this month of February!

"There are three ways to ultimate success.

The first way is to be kind.

The second way is to be kind.

The third way is to be kind."

~ Fred Rogers

I am grateful for your beautiful children and the chance to be part of their lives every day.

Thank you for your support of SPC Preschool!

Blessings,

Ms. Rebecca
