Nov. 1, 2024

Hi Parents,
We have enjoyed the most beautiful October at the preschool! No rain and great weather! The children have spent days outside enjoying the glorious weather, not to mention the amazing colors of the trees and our SPC Preschool Pumpkin Patch! And we have had several fun family events that are traditions here - Playdate at the Park, Daddy, Jack & Me, and Trunk or Treat! I hope you and your children had so much fun at these events as I did! I know I saw lots of smiles!!

After a busy October, we rush right into November! During this time of year, the children are happy and content at school, enjoying the company of friends and growing and learning through all of the activities in their classrooms! November is another busy month at SPC Preschool!

Catholic Seeds

The children will meet Ms. Suzanne and they will learn the story of Moses and how God gave him the Ten Commandments. God gives us rules to live by because He loves us and wants what is best for us. What are rules? The children will about this, why rules are important and how to keep us safe. The children will also learn about the ambo! This is the place in our church where God's word in Scripture is proclaimed to all the people of the church. They will learn how Moses went up the mountain and heard God's message and then shared it with the people, just like our Priests share God's word from the ambo.
